

Student Referral Program

November 2024 Intake

Toronto School of Management (TSOM) is pleased to present the Student Referral Program! When you refer a friend or family member to study at TSOM, you contribute to building our community, and we want to say thank you through this special promotion!

How it works: current students in good academic and financial standing and alumni at **TSOM**, **The Language Gallery Canada (TLGC)**, or **Trebas Institute Ontario**, can refer someone to TSOM by completing the form below. Once your referred friend/relative enrolls in our November intake and begins their program, both you and the new student will receive a gift card worth CAD \$200!

Start sharing today and let's grow our TSOM community together!

Eligibility

- To participate, you must be a current student or alumna/alumnus of TSOM, Trebas Institute Ontario, or The Language Gallery Canada in good academic and financial standing on the date of your referral submission.
- Referrals must be made by submitting a completed referral form to enrollments@torontosom.ca by **November 18, 2024**.
- The referred individual must be a new prospective student who has neither previously applied nor enrolled at TSOM.
- The referred individual must enrol in the November 2024 intake and attend a minimum of 4 weeks of classes at any TSOM program, with the exception of ACCA Preparation, English for Academic Purposes, and Microcredentials programs and courses.
- Both the referee (current student or alumni) and the referred student must meet all eligibility criteria outlined in these terms.

Student Referral Program

- Both the referrer and the referred student will receive CAD \$200 each in the form of a gift card.
- The CAD \$200 gift cards will be issued after the referred student has completed a minimum of 4 weeks of their TSOM program.
- Only one reward will be given per referral.
In cases where multiple individuals refer the same student, the first completed referral form received will be deemed valid.
- There is no limit to the number of friends/relatives students may refer; however, each referral must meet the eligibility requirements to qualify for this promotion.
- Rewards are non-transferable, non-exchangeable, and cannot be redeemed for cash.
- Any fraudulent activity or attempt to manipulate the referral program will result in disqualification and forfeiture of any rewards.
- This promotion cannot be combined with any other promotion or offer.
- By submitting a referral, you acknowledge that you have read, understood, and agreed to these terms and conditions.
